

How to set up MoneyMobile (MoneyDesktop for iOS)

1. Go to the App store in iTunes and download the MoneyMobile App ([click here for direct link to MoneyMobile App in the store](#))
2. Log into MoneyView Online (not the app) ([click here](#))
3. In the blue menu bar, click on MoneyDesktop
4. In MoneyDesktop click on the Settings icon, to the right of the Help (?) button on the top right.
5. Select the middle Mobile Devices tab (see picture below)
6. Click Generate Access Code
7. Enter your Access Code into the MoneyMobile App on your mobile device in order to log in.
8. Have fun!
