

## Record 1300 Members Attend Annual PVFCU Neighborhood Connection

HARRISONBURG, VA – A record crowd of almost 1,300 members attended the Annual Park View Federal Credit Union (PVFCU) Neighborhood Connection on May 5. Members enjoyed a complimentary dinner and conversation with old and new friends. Many members attended one of the 3 shows that included music from Shekinah, a local female vocal ensemble. Before the show, John Beiler, CEO, and Larion Hostetler, Board of Directors Chair, gave a brief report on highlights from PVFCU in the last year and information about new board members elected. The Frisbee gift for kids and beverage tumblers for adults were appreciated and all ages loved the double giant slide, performances by the World Champion Frisbee Guy, and balloons.

One member shared, “This event is a nice combination of good food, fun, and fellowship, and I learned to know new people. Thank you for a great party!”
